SENSATION OF THE **20TH CENTURY**

Chairman Johnson Frames Bill To Repeal Half-and-Half Plan

House District Committee to Consider Measure Before Its Introduction-Wilson Does Not Favor Appointment of Members of Board of Education by the President.

pronounced the bridge unase for heavy traffic.

According to a report in circulation yesterday, the bases of the piers were found by the divers, it is said, to be almost completely rotted away, and in danger of collapsing if heavy traffic is permitted, with any heavy ice movement in the river.

The District Commissioners, who have control of the ministenance of the bridge, that he bridge to vehicles weighing six tons or less, and prohibiting the passage of more than one street car at one time. A recommendation for further reduction in the weight of vehicles is now under consideration by the Commissioners.

Estimates for plans for a new bridge are included in the budget. It is the opinion of the Commissioners, however, that an immediate appropriation por a new bridge are included in the budget. It is the opinion of the Commissioners, however, that an immediate appropriation for a new bridge are included in the budget. It is the opinion of the Commissioners, however, that an immediate appropriation for a new bridge are included in the pass of the solution of the save the time, one year, that would be required to have the plans made and appropriations passed at the next season of Congress.

The Commissioners at this time are for the provision for the positive Commissioners at this time are for concerned over the condition of the bridge than at any time since the question of its safety was raised. Regulation of the limit now allowed, but also that police supervision be maintained at each end of the bridge to prevent overloading by traffic at any time.

Decision of Provisions for the recommendation of the case of the Budget that no limite and the commissioners and the provision for the form inheritance that the measure should be imposed in the rother the provision for the polistrict Commissioners and prohibiting the passage of the safety that the provision for the polistrict Commissioners and prohibiting the passage of the provision for the polistrict Commissioners and prohibition forces to provision for the form in

President Wilson's attitude was made innown to Representative Lloyd by the District Commissioners yesterday. In response to Mr. Lloyd's suggestion that Commissioner Newman consider his proposal, the Commissioners called at the White House yesterday and presented the matter to Mr. Wilson, His views are embodied in the following letter, which Commissioner Newman delivered to Chairman Lloyd later in the day:
"On Tuesday last, at a hearing upon

"On Tuesday last, at a hearing upon the Commissioners' bill to change the administrative form of the public school system of Washington, you asked for an system of Washington, you asked for an expression of opinion from the Commissioners on a suggestion that the authority to appoint the board of education of the District of Columbia be taken from the judges of the Supreme Court of the District and be given to the President of the United States. Before responding the Commissioners felt that they should obtain from the President an expression as tain from the President an expression as

RESTRICTIONS IN FORCE

Col. Flager Recommends Reduction in Limit of Weight of Vehicles Using Bridge Now Allowed.

The disappearance of ice in the rver with the present warm spell, is believed to have eliminated, for the time, at least, the necessity for suspending traffic over the Acqueduct Bridge. Following an inspection of the base of the piers supporting the structure recently by divers, Col. C. A. F. Elager, U. S. A., pronounced the bridge unsafe for heavy traffic.

That Chairman Johnson will present for the House District to the House District Committee at this morning's meeting a plan that may serve as a working basis for legislation abolishing the half-and-half plan was expected by several members of the committee ast night.

The full committee will be unable to take up the Commissioners' bill for the reorganization of the school system as the Lloyd subcommittee has not met to consider its report.

Mr. Johnson has been working on the draft of a bill embodying his views as to missioners are of the opinion that the proposed change would impose to the Acqueduct Bridge. Following an inspection of the base of the piers supporting the structure recently by divers, Col. C. A. F. Elager, U. S. A., pronounced the bridge unsafe for heavy traffic.

There is apparent in the committee at present divergence of opinion as to the proposed in strength of the proposed in strength of the proposed in strength of the strength of the committee. An attempt by the prohibition forces to procure the assignment of Senator Vardaman, a pronounced to the proposed in strength of the committee at present divergence of opinion as to the proposed in strength of the school system as the Lloyd subcommittee has not met to consider its report.

Mr. Johnson has been working on the draft of a bill embodying his views as to make the election for which the President will be unable to take up the Commissioners are of the opinion that the proposed change would impose the Lloyd subcommittee has not met to open the president. He said he does not fav
